1. EXT. PLAYGROUND : DAY

(SHOT FROM ABOVE
SHUTTLECRAFT (PAINTBOX-
-MATT) TWO RED DALEKS
EMERGE FROM UNDER THE
PONDEROUS NOSE OF THE
SHUTTLECRAFT AND TAKE UP
POINT POSITIONS)

2. INT. CHEMISTRY LAB : DAY

(THE DOCTOR IS GATHERING
HIS TOOL KIT TOGETHER.
GILMORE PUTS A BUNDLE OF
ROCKET LAUNCHERS AND
STARTS TO SYSTEMATICALLY
CHECK THEM)

GILMORE : Is that the mothership?

DOCTOR : No that's a shuttle, the
mothership is much larger. It belongs to the
opposing Dalek faction.

GILMORE : Does it make any difference?

DOCTOR : Are you willing to co-operate
with me?

GILMORE : Do I have a choice?

DOCTOR : You could go out there and make
a gloriously futile gesture.

GILMORE : What do we do?

DOCTOR : (GRIN) A little bit of piracy.

3. INT. SCHOOL UPPER FLOOR : DAY

(ACE IS MAKING LITTLE
BUNDLES OF BOMBS AND
LOADING THEM INTO HER
RUCKSACK

MIKE ENTERS AND STANDS
NERVOUSLY BEHIND HER)

MIKE : Ace?

(ACE KEEPS HER BACK TO HIM
AND CONCENTRATES ON THE
BOMBS)

ACE : Go away.

MIKE : Ace, I didn't know about the
Daleks, I was just doing Mr Gummer a favour.

ACE : Do me a favour and drown yourself.

MIKE : I just thought it was the right
thing. Mr Gummer had plans, such great plans.

ACE : Shut up.

MIKE : I never really hated anyone. It's
just you have to look after your own, keep
the outsiders out, just so your own people
can get a fair crack....

(ACE WHIRLS AND STRIKES
HIM IN THE CHEST. MIKE
STAGGERS BACK)

ACE : I said shut up. You betrayed the
Doctor, you betrayed me....I trusted you, I
even liked you and all the time you...

(ACE TURNS HER BACK ON
MIKE AGAIN. BY SHEER
EFFORT OF WILL SHE IS NOT
CRYING
MIKE TURNS AWAY BUT IS
STOPPED BY GILMORE)

GILMORE : Sergeant Smith.

MIKE : (LISTLESS) Sir.

GILMORE : (SHOUTED) Attention!

(MIKE SNAPS TO ATTENTION)

GILMORE : Sergeant Smith, I hereby serve
formal charge on you, for fraternizing with
the enemy. Upon the conclusion of current
operations you will come before a court
martial and answer these charges. Until that
time you will consider yourself under arrest.
Is this understood?

MIKE : Yessir.

GILMORE : You will report to Sergeant
Kaufman and place yourself at his disposal.
Dismissed!

(MIKE SALUTES AND LEAVES,
GIVING ONE LAST GLANCE AT
ACE WHO STANDS RIGID WITH
HER BACK TO HIM.

GILMORE CONSIDERS OFFERING
SOME SYMPATHY. BUT LEAVES
INSTEAD)

4. EXT. PLAYGROUND : DAY

(VIEW AS IN SCENE (1) MORE
RED DALEKS EMERGE FROM
UNDER. WITH THEM A LARGE
FLOATING WEAPONS PLATFORM.

THE PLATFORM CARRIES A
LARGE HOWITZER LIKE
WEAPON ON ITS BACK
[PAINTBOX]

MORE RED DALEKS EMERGE)

5. INT. CHEMISTRY LAB : DAY

(THE DOCTOR IS WATCHING
OUT OF THE WINDOW

GILMORE ENTERS)

DOCTOR : The Daleks have committed their
entire force against the other Daleks.

GILMORE : Meaning?

DOCTOR : There's only a skeleton force on
board the shuttle.

(GILMORE THINKS ABOUT THIS
AND SMILES GRIMLY)

GILMORE : They're very confident.

DOCTOR : Too confident, it's a Dalek
weakness. Are you willing to risk more men
on an attack?

GILMORE : I'll lead the attack myself.

DOCTOR : Once the attack is underway, the
school should be evacuated as quickly as
possible.

GILMORE : I'll give the orders now.

(THE DOCTOR REMOVES THE
NEWSPAPER PACKAGE FROM
THE BENCH DRAWER)

DOCTOR : Colonel?

GILMORE : Yes?

DOCTOR : Thank you for co-operating.

GILMORE : Only a fool argues with his
Doctor.

Model Shot 1

The Dalek Mothership in orbit.

6. INT. MOTHERSHIP BRIDGE : DAY

(CALM COLLECTED DALEK
ACTIVITY)

DALEK ONE : The assault shuttle has
landed. Force Leader reports no resistance
from Human military forces.

RED EMPEROR : They cower in the face of
Dalek might. What of the Omega Device?

DALEK ONE : We have located it. It is in
the possession of the Ven Gatrix Spex Dalek.

RED EMPEROR : Order the Force Leader to
recover the Hand of Omega at any costs. All
opposition is to be crushed.

7. INT. SCHOOL UPPER FLOOR : DAY

(ACE IS MOROSELY PACKING
HER RUCKSACK

THE DOCTOR STANDS IN FRONT
OF HER)

ACE : Professor.

DOCTOR : Ace. I don't suppose your
interested in a misguided attack on a Dalek
shuttle. Suicidal of course. No? I'll just
have to do it myself.

(THE DOCTOR TURNS AWAY)

ACE : Oi! Wait a minute.

(THE DOCTOR TURNS BACK
AROUND. ACE IS
ENTHUSIASMICALLY PULLING
HER RUCKSACK ON)

DOCTOR : Yes.

ACE : Where do you think you're going?

(THE DOCTOR SMILES)

ACE : (INDICATES PACKAGE) What is in that?

DOCTOR : This? It's an accessory, the
Finger of Omega if you like. I asked the
Hand if I could borrow it.

ACE : How did you ask it?

DOCTOR : Oh, the Hand responds to Telepathic Commands, as long as it's within about twenty meters and it likes you.

(ACE DIGESTS THIS AND IS ABOUT TO ASK ANOTHER QUESTION)

RACHEL (O.O.V) : Out of my way Colonel, or I may do something unscientific to your face.

GILMORE (O.O.V) : Professor Jensen, I cannot allow you to....

(GILMORE IS BACKED INTO VIEW BY A DETERMINED RACHEL AND AN EQUALLY DETERMINED ALLISON)

RACHEL : Allow me to what? I'm sick of your regulations, rules and restrictions. If I want to put myself in danger, that's my concern.

(RACHEL SEES THE DOCTOR)

RACHEL : We're coming with you. Whatever this martinet says. I'm not going to spend the rest of my life wondering what was going on. I'm going to find out even if it means following you into jaws of hell itself.

ALLISON : Me too.

RACHEL : (TO ALLISON) That was eloquent.

DOCTOR : It's very dangerous.

RACHEL : So is ignorance.

8. INT WAREHOUSE OFFICE : DAY

(GUMMER IS ON HIS KNEES,
HEAD BOWED IN FRONT OF THE
BLACK DALEK. A LONG CABLE
STRETCHES FROM A SOCKET
IN THE BLACK DALEK SIDE TO
ONE IN THE GIRL. SHE IS
WORKING WITH TOOLS ON THE
TIME CONTROLLER

A BLUE DALEK IS REPORTING)

DALEK : Forward elements of the Vri
Katri Dav-rett Ka Dalek are entering the
area.

BLACK DALEK : The Doctor sabotaged the
time controller, it will take time to repair.
Make maximum sacrifice to buy that time.

DALEK : I obey.

(THE DALEK LEAVES. THE
BLACK DALEK SWIVELS ITS
EYESTICK TO LOOK AT MR
GUMMER)

BLACK DALEK : That is the meaning of
true obedience. Would you sacrifice your life
for the good of the Daleks. I think not.

9. INT. CHEMISTRY LAB : DAY

(THE DOCTOR LOOKS OUT OF
THE WINDOW. ACE HANDS HIM
A COIL OF ROPE)

ACE : Why have the Daleks sent down a
shuttle. Why not another transmat?

DOCTOR : They landed once before to
establish the transmat in the cellar. They
knew that the Hand of Omega was near here.
That was to be their forward base.

(HANDS ACE THE NEWSPAPER
PACKAGE)

DOCTOR : Put this somewhere safe.

(ACE NEGLIGENTLY TOSSES IT
ONTO THE WORK BENCH. THE
DOCTOR WINCES)

ACE : But you wrecked the transmat, so
they have to land the shuttle again to take
the Hand away from the other Daleks.

DOCTOR : Exactly. I wanted to flush them
out into the open.

ACE : You did that alright, can't get much
more in the open than(POINTS) that.

10. EXT. STREETS (WAREHOUSE) : DAY

(TWO RED DALEKS SCUTTLE
ROUND THE CORNER. THEY
ADVANCE WARILY. SCANNING
THE AREA WITH THEIR
EYESTALKS

BLUE DALEK POV FROM OTHER

A HOMING BOLT OF ENERGY
STREAKS ROUND THE CORNER
AFTER IT. THERE IS AN

A FULL HIT AND GOES DEAD.
SMOULDERING SLIGHTLY)

DALEK THREE :renegade Daleks. Advise,
advise.

11. INT. MOTHERSHIP BRIDGE

(DALEK ACTIVITY)

DALEK ONE : Squad Delta has encountered heavy resistance from Renegade Daleks in area two-five-zero-nine.

RED EMPEROR : Move the weapon platform into position. We must recover the Hand of Omega without delay.

DALEK ONE : There is no threat from the Human Military forces.

DALEK TWO : Their technology is inferior to that of the Daleks.

RED EMPEROR : Fools. The Doctor is active in the area. He is the threat. Move the weapon platform into position, there must be no further delay.

12. INT. CHEMISTRY LAB : DAY

(THE DOCTOR IS SITTING ON THE WINDOW LEDGE WITH A COIL OF ROPE.

HE FLINGS ONE END TO ACE WHO IS STANDING BY A WORKBENCH. RACHEL, ALLISON, GILMORE AND TWO SOLDIERS ARE IN THE ROOM)

DOCTOR : Secure it to the bench.

(ACE STARTS TO RATHER INEPTLY TIE A KNOT)

ALLISON : Why are we doing this?

DOCTOR : Elementary piracy. Dalek shuttles have massive ground defences, computer controlled energy weapons to defend from air attack. And, an unguarded service hatch on the top.

RACHEL : (TO ACE) Give me that.

(RACHEL TAKES THE ROPE AND STARTS TYING IT TOO THE WORKBENCH)

RACHEL : Mouse goes into the hole, scurries around.....

DOCTOR : I think this attack is rapidly losing momentum.

GILMORE : " I know the feeling.

(RACHEL GIVES A FINAL
VICIOUS TUG ON THE ROPE)

RACHEL :and the cat gets it. There.

DOCTOR : Ace, give me the explosives.

ACE : Here catch.

(ACE TOSSES A BUNDLE OF
GELIGNITE TO THE DOCTOR.
WHO CATCHES IT)

DOCTOR : Once we're down, we use the
explosives to disable the transmitter and
blow the hatch open. Ace you come down after
me, then Gilmore and his men, followed by
Rachel and Allison, any questions?

(ACE LEAPS UP BESIDE THE
DOCTOR ON THE LEDGE)

DOCTOR : No, good. Ace, follow me down.

(THE DOCTOR SWINGS A
LASSOO AND LETS IT FLY OUT
OVER THE TOP OF THE DALEK
SHUTTLE. IT ATTACHES TO A
PYLON. THE DOCTOR LOOPS IT
TO THE WINDOW FRAME TO
MAKE IT TIGHT. HE PULLS
OUT A SHORT LENGTH OF
WOOD AND USES IT TO SLIDE
DOWN THE ROPE)

ACE : Aye aye Cap'n.

13. EXT. COAL HILL SCHOOL : DAY

(A ROPE STRETCHES FROM
THE SCHOOL WINDOW TO A
POINT HIDDEN BY THE BULK
OF THE DALEK SHUTTLE

THE DOCTOR SLIDES RAPIDLY
DOWN THE ROPE. FOLLOWED BY
ACE)

14. EXT. STREETS (WAREHOUSE) : DAY

(RED DALEKS AND BLUE
DALEKS EXCHANGE
INEFFECTUAL FIRE FROM
EITHER END OF THE STREET.

A BLUE DALEK HOMER ZIPS
DOWN THE STREET AND
NARROWLY MISSES A RED
DALEK.

THE RED DALEKS WITHDRAW
FROM THE FIRING LINE. THE
FIRING CEASES

THE RED DALEK WEAPON
PLATFORM PONDEROUSLY
COMES ROUND THE CORNER
AND ADVANCES UP THE
STREET. THE LARGE HOWITZER
LIKE GUN SWINGS ROUND AND
BEARS ON A BLUE DALEK

IT FIRES A VIOLET PULSE OF
ENERGY WHEN IT STRIKES THE
BLUE DALEK THERE IS A
FLASH, FOR A MOMENT THE
INTERIOR OF THE DALEK IS
SILHOUTTED IN BLACK, LIKE
AN X-RAY OF A METAL
SKELETON.

NOTHING IS LEFT EXCEPT A
SCORCH MARK ON THE ROAD

THE WEAPON BEARS ON
ANOTHER BLUE DALEK AND
DISINTEGRATES IT

THE RED DALEKS ADVANCE
OVER THE SCORCH MARKS)

Model Shot 2

Close up of the top of the Dalek Shuttle. A small explosion wrecks the dish aerial on the top.

15. INT. SHUTTLE BRIDGE

Note. Cut down of the
Mothership Bridge set.
Without control dials.

(A SINGLE RED DALEK IS
LOCKED INTO THE FLOOR AND
THE CONTROL PANEL. ITS
EYEPiece SWIVELS AS THE
BRIDGE VIBRATES TO ANOTHER
SMALLER BLAST

A PANEL AT HEAD LEVEL IS
KICKED OUT AND THE DOCTOR
JUMPS NIMBLY TO THE FLOOR)

DOCTOR : Hallo.

(THE DALEK IS TRAPPED BY
ITS CONNECTION TO FLOOR
AND PANEL. IT FOCUSES ON
THE DOCTOR)

DALEK : Emergency, emergency, humans on
the bridge.

(THE DOCTOR USES A TOOL
TO OPEN A PANEL ON THE
CONTROLS. STICKS THE TOOL
IN AND TWISTS. THE BLAST
DOORS SLAM DOWN ISOLATING
THE BRIDGE)

DALEK : You are the Doctor, you are the
enemy of the Daleks, you must be
exterminated.

DOCTOR : Good bye.

(THE DOCTOR MAKES ANOTHER
PROBING TWIST WITH THE
TOOL.

ENERGY CRACKLES FROM THE
CONTROLS UP THE DALEKS
MANIPULATOR AND ALL
AROUNDS ITS BODY. IT
JUDDERS VIOLENTLY AND GOES
DEAD)

DOCTOR : You can come down now.

(ACE DROPS DOWN, FOLLOWED
BY GILMORE, RACHEL AND
ALLISON. THEY LEAVE A ROPE
DANGLING FROM THE OPEN
HATCH. ACE EYES THE DALEK)

ACE : What did you do to it.

DOCTOR : I short circuited it. Daleks make
such boring conversationalists.

RACHEL : I can't see any controls.

DOCTOR : What would a Dalek do with a
switch.

(THE DOCTOR WALKS ROUND
THE WALLS TAPPING THEM AT
ABOUT WAIST HEIGHT)

DOCTOR : No the Daleks plug in directly.
Ah ha!

(THE DOCTOR FLIPS OPEN A
PANEL AT WAIST HEIGHT. IT
HAS A ROW OF DALEK
MANIPULATORS RACKED

INSIDE. HE INSERTS THE
TOOL IN A SMALL SLOT. ONE
OF THE MANIPULATORS WHIRS
DOWN INTO A HORIZONTAL
POSITION AT JUST THE RIGHT
LEVEL FOR A DALEK TO TAKE
IT. SUCKER END TOWARDS THE
WALL. THE DOCTOR GRABS IT)

RACHEL : (LOOKING AROUND) It's very
functional.

DOCTOR : Daleks are not known for their
aesthetic sense. When Davros first created
them he eliminated messy little virtues like
that.

ACE : No wonder they want to conquer the
galaxy.

(THE DOCTOR PLUGS THE
MANIPULATOR INTO THE
CONTROL PANEL AND DRAWING
BITS AND PIECES OUT OF HIS
MANY POCKETS STARTS TO
ATTACH WIRES AND BITS OF
ELECTRONICS TO THE END)

ALLISON : I don't follow.

ACE : If you can't have a good time, then
what else is there to do.

DOCTOR : If they succeed they will create
a universe of sterility. Now lets see if we
can find out just what they are up to.
Tactically speaking anyway.

16. INT. CHEMISTRY LAB: DAY

(MIKE SITS BROODING ON A
STOOL. KAUFMAN IS MAKING
TEA OVER A BUNSEN BURNER
AND WHISTLING.

KAUFMAN TURNS HIS BACK ON
MIKE FOR A MOMENT. MIKE
LEAPS UP AND THUMPS HIM ON
THE BACK OF THE HEAD.
KAUFMAN STAGGERS AND COLLAPSES
GROGGILY.

MIKE GRABS A HOLSTERED
REVOLVER FROM THE BENCH
AND LEAVES)

17. INT. MOTHERSHIP BRIDGE

DALEK ONE : We have lost communications with the shuttle. The last report indicated it was under attack.

RED EMPEROR : Advise the Force Leader to delay the final assault and secure the shuttle.

18. INT. SHUTTLE BRIDGE

(THE DOCTOR SEEMS TO BE
CONTROLLING THINGS BY
RUBBING VARIOUS EXPOSED
WIRES)

DOCTOR :but the Daleks got themselves
embroiled in a war with the Movellans. Who
are a race of androids. Just as nasty as the
Daleks but more attractive to look at. The
Movellans decimated the Dalek Battle Order
with a selective virus. Am I boring you?

(EVERYONE HAS A SLIGHTLY
GLAZED LOOK. EXCEPT ACE
WHO HAS WANDERED OFF TO A
BLANK WALL. SHE IS FISHING
IN HER RUCKSACK)

DOCTOR : Well I've got some pictures to
liven things up.

(THE MAIN SCREEN SHOWS
GRAPHICS OF A SMALL BLUE
CIRCLE WITH A LONG ORANGE
LINE CONNECTING IT TO A
BRIGHT YELLOW CIRCLE.
DALEK SYMBOLS LABEL
EVERYTHING)

DOCTOR : That's the earth, that must be
the time coridor, connecting to another
system. Lets see....

(THE ORANGE CIRCLE EXPANDS
TO DEPICT A SUN AND
PLANETS. MORE DALEK
WRITING. THE LINE
INTERSECTS THE SUN

THERE IS A HISSING SOUND
IN THE BACKGROUND)

DOCTOR : (SQUINTS) The Planet Skaro. So
the Daleks have returned to their ancestral
seat. We've seen enough, time to leave.

GILMORE : Shouldn't we plant explosives or
something, try and sabotage this ship.

DOCTOR : Whatever for, we want the Daleks
to leave.

(RACHEL GRABS HOLD OF THE
ROPE)

RACHEL : More climbing.

ALLISON : You wanted to come.

DOCTOR : Come on Ace, time to go. Ace?

(THE DOCTOR TURNS ROUND
AND FINDS THAT ACE HAS
GRAFFITIED 'ACE WOZ ERE IN
1963' ON THE WALL)

DOCTOR : Ace.

19. EXT. STREETS : DAY

(MIKE SCURRIES PAST A
WRECKED RED DALEK. DUCKING
FROM COVER TO COVER. HE
LOOKS DOWN THE STREET. IT
IS DESERTED QUICKLY HE
MAKES A DASH FOR IT AND
BOUNCES HARD OFF A BLUE
DALEK THAT MOVES IN FRONT
OF HIM. HE GOES SPRAWLING

THE DALEK TURNS AND AIMS
AT HIM)

DALEK : Exterminate.

MIKE : No, no don't. I have a message for
Gummer. Understand, a message for Mr Gummer.

(PAUSE)

DALEK : You are my prisoner, you will
obey all instructions or you will be
exterminated.

MIKE : (QUIETLY) You said it mate.

20. INT. CHEMISTRY LAB : DAY

(TWO SOLDIERS USE A SECOND ROPE TO PULL THE DOCTOR UP THE FIRST. GILMORE AND ACE WAIT FOR HIM

THE DOCTOR APPEARS IN THE WINDOW, UNTIES THE SECOND ROPE FROM HIS MIDDLE AND JUMPS NIMBLY TO THE FLOOR)

GILMORE : (TO SOLDIERS) Get down to the south exit and see if it's clear.

(THE SOLDIERS DEPART)

DOCTOR : I rigged a communications relay into the Shuttle control systems. We can monitor the Daleks with the transmat in the celler.

ACE : You can't do that, you mashed up the transmat.

(THE DOCTOR WAVES THE MANIPULATOR ARM AT ACE)

DOCTOR : I can do anything I like.

(THE DOCTOR STRIDES TO THE DOOR TURNS ROUND PICKS UP THE NEWSPAPER PACKAGE AND STRIDES OUT. ACE AND GILMORE FOLLOW)

21. INT. SCHOOL UPPER FLOOR : DAY

(KAUFMAN IS BENDING SO
THAT ALLISON CAN EXAMINE
THE BACK OF HIS HEAD.
RACHEL HOVERS

THE DOCTOR, GILMORE AND
ACE ENTER)

GILMORE : What happened?

ALLISON: Smith hit him.

GILMORE : We'll search the building. (TO
ALLISON) Is he alright?

ALLISON : No idea, I'm a physicist.

(KAUFMAN LOOKS AT ALLISON
WHO SHRUGS)

DOCTOR : We're wasting time. Rachel and
Allison, I'll need your help.

RACHEL : Sorry?

ALLISON : He said he needed our help.

RACHEL : That's what I thought he said.

(THEY LOOK BACK. THE
DOCTOR AND ACE HAVE GONE)

RACHEL : Where did he go?

GILMORE : The cellar. Tell the Doctor I'll
initiate a search for Smith.

RACHEL : Allison, get your hands off that
man's scalp and come on.

22. EXT. WAREHOUSE YARD : DAY

(MR GUMMER AND MIKE ARE
KNEELING WITH THEIR HANDS
CLASPED BEHIND THEIR HEADS.
BEHIND THEM A BLUE DALEK
WATCHES

THE BLACK DALEK AND THE
GIRL EMERGE FROM THE
WAREHOUSE. THE GIRL IS
CARRYING THE TIME
CONTROLLER)

GUMMER : (WHISPER) That's the thing they
use to control the time road.

MIKE : Time corridor.

GUMMER : Whatever, that box controls it.

MIKE : So?

GUMMER : Without that thing, they're stuck
here. A man in possession of that would have
something to bargain with.

MIKE : For what, our lives?

GUMMER : . Nothing so mundane. If we had
that, we could demand anything.

MIKE : You never give it up, do you?

GUMMER : That's what separates us from
animals and the subhuman, we never give up.
But we must move soon, or they'll be away.

(THE CHILD IS SETTING THE
DEVICE ON THE COFFIN)

MIKE : What makes you think I'm
interested?

GUMMER : You came here didn't you?

(PAUSE)

MIKE : I came here to kill you.

GUMMER : Good, first things first then.

23. INT. CELLAR : DAY

(THE DOCTOR HAS PLUGGED
THE MANIPULATOR INTO THE
REMAINS OF THE TRANSMAT.
ACE CROUCHES BY HIM

RACHEL AND ALLISON ENTER
FROM THE STAIRS, THEY
CARRY ONE OF THOSE BIG OLD
TELEVISIONS YOU USED TO
GET IN SCHOOLS)

RACHEL : (STRAINING) When he said he
needed our help, I had hoped he meant more
in the technical area.

ALLISON : It was a vain hope.

DOCTOR : Good you got it, put it down on
here.

(THEY PUT THE TV ON TOP
OF THE PLATFORM BIT OF
THE TRANSMAT. IT SITS A
BIT LOPSIDED. THE DOCTOR
ATTACHES SOME WIRES TO
THE AERIAL SOCKET AND THE
SOME EXPOSED CONNECTIONS.
THE PLUG LEAD GOES INTO
ANOTHER SOCKET ON THE
TRANSMAT)

ALLISON : How does he do that?

ACE : Do what?

ALLISON : How does he just get hold of a
peice of alien machinery and rewire it.

DOCTOR : It's easy when you've had 800 years experience.

(THE SCREEN FILLS UP WITH
DALEK WRITING LIKE ANGULAR
ARABIC)

DOCTOR : Here we go.

ACE : What does it say?

DOCTOR : Shhh....So that's what it is. Vri Gatricks Spex Dalek, of course.

ACE : Oh right that makes it all clear.

DOCTOR : The Movellan's...

ALLISON : (REMEMBERING) Pretty but nasty.

DOCTOR : The Movellan's virus left the Daleks fragmented into isolated factions. One of which has resettled Skaro. This faction seems in conflict with another bunch of Daleks. It's unusual.

RACHEL : So, there's some internecine conflict, what's so unusual about that?

DOCTOR : Daleks don't have internecine conflict. One Dalek meets another Dalek, they bang Databases and one winds up giving orders to the other, except...

RACHEL : Yes.

ACE : Except when one Dalek doesn't regard another Dalek as being a Dalek.

DOCTOR : Very good Ace, how did you come to that?

ACE : Simple init, Blue Daleks are blobs, Red Daleks aren't blobs, they're bionic blobs with bits added. You can tell that Daleks are into racial purity, so one faction of Daleks reckon that the other blobs are too different, mutants, not pure in their blobiness anymore.

DOCTOR : Result?

ACE : They hate each others chromosomes, war to the death.

ALLISON : With us in the middle.

24. EXT. STREETS (WAREHOUSE) : DAY

(THREE BLUE DALEKS ARE
DISINTERGRATED IN QUICK
SUCCESSION

A QUARTET OF RED DALEKS
ADVANCE OVER THE SCORCH
MARKS)

25. EXT. WAREHOUSE YARD : DAY

(THE GATES OF THE
WAREHOUSE DISINTEGRATE.
TWO RED DALEKS RUSH IN.

THE BLUE DALEK GUARDING
GUMMER AND MIKE MOVES TO
INTERCEPT)

GUMMER : Now!

(MIKE AND GUMMER SCRAMBLE
UP AND MAKE FOR THE COFFIN
AND THE TIME CONTROLLER

THE BLUE DALEK TAKES TWO
HITS FROM THE RED DALEKS
AND GOES DEAD

THE BLACK DALEK SWINGS
ROUND AND DESTROYS THE
TWO RED DALEKS WITH A
PRECISE BURST OF FIRE

GUMMER REACHES FOR THE
TIME CONTROLLER. THE GIRL
LOOKS AT HIM. GUMMER
GRABS THE TIME CONTROLLER)

MIKE : Run!

(GUMMER TURNS AND RUNS.
THE GIRL SWINGS HER HANDS
ROUND. ENERGY SPRINGS FROM
HER HANDS, GUMMER IS
KNOCKED SPRAWLING,
SCREAMING IN AGONY.

THE TIME CONTROLLER GOES
FLYING. MIKE GRABS IT AND
RUNS FOR THE WALL

GUMMER WRITHES ON THE
GROUND. THE GIRL LOOKS UP
AND SEES MIKE CLIMBING
OVER THE FAR WALL

THE BLACK DALEK FIRES
AFTER HIM BUT IT IS TOO
LATE AND HE'S ESCAPED)

BLACK DALEK : Recover the Time
controller.

(THE CHILD RUNS AFTER MIKE

THE BLACK DALEK LOOMS
OVER GUMMER WHO LIES IN
AGONY ON THE GROUND

GUMMER LOOKS UP AND SEES
THE GUN POINTING AT HIM

THE DALEK FIRES)

26. INT. CELLAR : DAY

(THE DOCTOR WATCHES THE
WRITING ON THE SCREEN.

GILMORE ENTERS)

GILMORE : We've reestablished a landline.
We used some high altitude jets to take
reconnaissance photographs.

DOCTOR : And?

GILMORE : The Red Daleks have inflicted
severe casualties on the Blue Daleks and are
converging on the warehouse. I think the
Blue Daleks are finished.

DOCTOR : Nothing is certain, the Blue
Daleks still hold the Hand of Omega.

GILMORE : It's a weapon?

DOCTOR : Not as such. It is a bargaining
chip.

ACE : Will the Blue Daleks use it though?

DOCTOR : If I can patch into the Dalek
Command circuits we might be able to find
out.

27. EXT. WAREHOUSE YARD : DAY

(THE BLACK DALEK STANDS
ALONE BESIDE THE COFFIN.

A GROUP OF FOUR RED DALEKS
ENTER. THEY FORM A MENACING
SEMI-CIRCLE AROUND THE
BLACK DALEK)

faction, you must obey us.

DALEK ONE : Our's is the superior
strategy.

BLACK DALEK : I have placed nuclear
explosives on the Hand of Omega. If you
attack me, they will detonate and destroy it.

DOCTOR : Bad? It's catastrophic, what's
more they're using nuclear charges.

RACHEL : No.

(THE DOCTOR LEAPS INTO
ACTION, GRABS ACE'S
RUCKSACK AND THROWS IT TO
ACE)

DOCTOR : I have to stop this. Colonel,
you'll have to co-ordinate the clean up
operation, if I'm succeSsful.

DOCTOR : What?

ACE : Just why are you so keen for the
Daleks to get the Hand of Omega anyway?

DOCTOR : Quiet Ace.

(MIKE TROTS PURPOSEFULLY
DOWN THE STREET)

ACE : It's Mike.

DOCTOR : He's got the Time Controller.
Typical human, you can allways count on them
to mess up. Ace get after him, see where
he's going and stay there.

ACE : Right.

DOCTOR : And no heroics, I have enough
problems already.

ACE : Trust me.

(ACE AND THE DOCTOR LEAVE
THEIR HIDING PLACE. ACE

after this is all over.

RACHEL : Go back to Cambridge, write my
memoirs. (LOOKS AT GILMORE) Subject to
security vetting of course. You?

ALLISON : I've been offered a place at
Sussex. What about you Colonel?

GILMORE : After this? I'm going to retire,
buy a cottage in the remotest part of Wales
I can find and fade away.

RACHEL : What about the Special
Incursions Countermeasure Unit.

GILMORE : The Army have been angling to
take over anyway. They've got some bright
boy. Captain Tunbridge-Steward or something,
worked for the SOE during the war, very
highly thought of.

RACHEL : I doubt he'll have as much
trouble as us.

ALLISON : As long as he doesn't have to
deal with the Doctor.

(THERE IS A DEEP RUMBLE

DALEK TWO : We have picked up a transmission from Earth.

RED EMPEROR : Display the transmission.

(THE MAIN SCREEN SHOWS
THE DOCTOR FROM HIS
POSITION IN THE CELLAR)

DOCTOR : Ah there you are. (CLEARS THROAT) This is the Doctor, Presidential Elect of the High Council of Time Lords, keeper of legacy of Rassillon, defender of the Laws of Time and protector of Gallifrey. In the name of all sentient life, potential or otherwise, I do hereby call upon you, the Daleks to surrender the Hand Of Omega and return to your customary place and time.

RED EMPEROR : Ah Doctor, you have changed again, your appearance is as inconstant as your intelligence.

(THE FRONT PANEL OF THE
EMPEROR DALEK SLIDES OPEN.
IT REVEALS DAVROS, HIS
HEAD IS INTACT ALL ELSE IS

WITHERING AWAY IN A WEB
OF LIFE SUPPORT EQUIPMENT)

DAVROS : You have confounded me for
the last time Doctor.

DOCTOR : Davros, what a suprise. I see you
have discarded any last vestiges of your
humanity.

DAVROS : Save your insults for the weak
minded Doctor. I have taken my rightful place
at the head of my creations, under my
leadership they will dominate the universe.

DOCTOR : Some of your 'creations' seem
unsure of your role.

DAVROS : A mere handful of groups,
inflexible, short sided regressive.

DOCTOR : You created them. Now, are you
going to return the Hand of Omega or not.

DAVROS : Are you threatening me Doctor?
If so it is most unwise, considering the
disparity in resources. I have enough fire
power to destroy this planet and you....

DOCTOR : A one hundred percent track
record when it comes to your much vaunted
conquests.

DAVROS : You flatter yourself Doctor, in
the end you are merely another Timelord.

DOCTOR : Oh Davros, I am far more then
just a timelord.

46. INT. LIVING ROOM : DAY

(ACE SITS ON THE SOFA WITH
HER RUCKSACK ON HER LAP

ACE : I don't see anyone twisting your
arm.

(ACE REACHES INTO HER
RUCKSACK. MIKE TENSES)

MIKE : Stop that Ace, stop it now.

ACE : What are you so scared of?

MIKE : Ace you don't understand, I've got
the time controller. The Daleks are going to
take over, can't you see that. With that we
could escape, or bargain or...what's that?

(ACE HAS PULLED OUT A
PACKET OF BACON
SANDWICHES)

ACE : Bacon sandwiches.

MIKE : How can you eat now?

ACE : Course, I can eat anywhere. You
were telling me about the Daleks.

47. INT. CELLAR : DAY

(DAVROS'S FACE FILLS THE
TV SCREEN)

DOCTOR : I warn you Davros, the Hand of Omega is not to be trifled with.

DAVROS : More threats Doctor. I think I am quite capable of handling the technology.

DOCTOR : I sincerely doubt that.

DAVROS : Does it worry you Doctor. With it I will transform Skaro's sun into a source of unimaginable power. With that power at our disposal the Daleks shall sweep away Gallifrey and it's impotent quorum of timelords. The Daleks shall seize control of time itself, we shall become....

DOCTOR : (FAST) ...all powerfull, crush all the lesser races, conquer the galaxy. Unimaginable power, unlimited rice pudding ecetera, ecetera.

DAVROS : (NOT REGISTERING) You understand then?

DOCTOR : Davros, I've heard it all before, many times. All over the universe, from the Autons to the Zygons and you know something Davros, of them all you are the most pathetic.

DAVROS : You underestimate me Doctor.

DOCTOR : Do I, really?

DAVROS : Do not anger me Doctor, I can
destroy you and this miserable little,
insignificant planet.

DOCTOR : Wonderful, what power, what
brilliance. And then what next, perhaps you
could destroy another planet because it
reminded you of this one and then if you
weren't satisfied you could wipe out the odd
civilisation, enslave the occasional culture.

(DAVROS IS BECOMING
SERIOUSLY AGITATED)

DOCTOR : But that won't detract from the
basic fundamental truth of your own
impotence.

(DAVROS IS THRASHING AND
GURGLING)

RACHEL : Careful Doctor.

DOCTOR : (TO RACHEL) Trust me I know what
I'm doing.

48. INT. MOTHERSHIP BRIDGE

(THE DOCTOR'S FACE
DOMINATE THE VIEW SCREEN)

DAVROS : I will teach you the folly of
your words Doctor. Before I destroy you, I
will demonstrate the power of the Daleks.

DOCTOR : Davros, I beg of you, don't use
the Hand.

DAVROS : Ah Doctor now you begin to
fear. (TO DALEKS) Activate the Omega Device.
(TO DOCTOR) Soon Doctor, the Universe will
live in fear.

DOCTOR : You're making a big mistake.

DAVROS : (SHRIEK) Noooo!

DALEK ONE : Omega Device returning,

DOCTOR : Did you really think I would
overlook the Hand of Omega, or Dalek
ambition.

DAVROS : Do not do this, I beg of you.

DALEK ONE : Minus nine.

DOCTOR : I warned you not to use it.

DAVROS : Have pity on me.

DALEK ONE : Minus seven.

DOCTOR : I have pity for you. Goodbye
Davros, it hasn't been pleasant.
